Pregnancy Symptoms

Don't get caught worrying about being pregnant before you are sure. A missed period is the most common indication, but it doesn't necessarily mean you are pregnant.

Please call us at 304-344 4511 or click on the Request An Appointment icon above to make an appointment for a Free Pregnancy Test. Our clinic also performs Free Ultraounds. Walk-Ins are welcome.

- Late period
- Tender or swollen breasts
- Frequent urination
- Nausea or vomiting
- Fatigue
- Lightheadedness or fainting
- Backaches
- Food cravings or aversions

We will provide you with a free lab-certified pregnancy test. You will have the results during your appointment.

Call us today to schedule a confidential appointment.
